

Creation – Day 3 Genesis 1:9-13

Series: *The Glory of God in Creation*

With the absence of death, there could be no _____ processes because nothing died.

The absence of meteorite evidence in the lower Strata of the earth's layers testifies to a _____ earth.

Day 3

V.9 *“And God said, Let the waters under the heavens be gathered together into one place, and let the dry land appear. And it was so.”*

God _____ - everything comes into being from nothing by God simply speaking it into existence vv.9, 11, 14, 20.

“Great earth movements got underway. Surfaces of solid earth appeared above the waters and an intricate network of channels and reservoirs opened up in the crust to receive the waters retreating off the rising continent.” Henry Morris Commentary

V.10 – By the time of Gen. 1:10 we have the **“Tripartite Universe”** – Earth, Sea, and Heaven.

V. 11 – God created the plants and fruit trees for _____. (v.29)

v.12 – *“According to its kind”* – To say that all living things come from a common _____ is refuted by this ten times repeated phrase in Genesis 1.

God has put _____ on the design of organisms. Seed in Genesis has the ability to reproduce only within its own likeness.

God signed off on Day 3 in Genesis 1:12 – He looked at it and called it _____.

Scriptures for Reflection on **“Creator God”**:
Job 26; Psalm 74; Psalm 104; Job 38
